

Copas - Cookham Neighbourhood Plan

We understand Cookham Parish Council are aiming to consult as widely as possible on the Cookham Neighbourhood Plan. To assist with this, we sent a short survey to both our employees and occupiers of our offices in Cookham to ask their views regarding working in Cookham. Copies of the surveys sent are attached.

A summary of responses received is below:

Reasons to base business in Cookham / best things about working in Cookham:

Dominant answer from both employees and businesses was the beautiful rural surroundings, and convenience of its location.

Good access to motorway network was also cited, as well as the train service.

Least favourite aspect of working in Cookham:

Dominant response was traffic / congestion issues – the parking outside Herries school was mentioned by some respondents, as well as the congestion in The Pound and the High Street

Potholes in the roads was also cited as another negative.

Possible areas of improvement:

Main area respondents would like to see improved is parking – especially in High Street and Cookham Rise, with a longer period of free parking being permitted.

Other areas mentioned included internet connectivity, sports facilities, quality of footpaths and pavements and more local food options.
